

We are all looking forward to a return to normal, but we are not quite there and the SAFETY of all in attendance is our highest priority.

You will be required to follow all BSA recommended measures, plus all federal, state, and local recommendations. These will include mask wearing, social distancing, 'pod' camping area lounging when not in classes.

SAFETY is our number 1, 2 and 3 priority at Space Jam -15.

If you disagree with this policy (which is your right) then please wait till next year to attend or you will be asked to leave (which is our right and responsibility).

FLIGHTS, please note: It is possible that scouts will be required to present proof of vaccination since social distancing will not be possible. Each scout must have a parent or guardian present to sign forms.

Let's keep everyone SAFE!

NOTE ON FLIGHTS: The Young Eagles program offering flights is a separate event from Space Jam. They have their own protocols, forms to sign, requirements and insurance. We welcome their event happening on a nearby area of the airport and will alert our participants of the opportunity. The donation mentioned on our registration form helps us to afford renting an airport but is not part of the Young Eagles program. The Young Eagles program has no cost.
